Hi Rob,

It looks like Jim will be in AK that week and would be available to participate. I will coordinate with Katherine and Jim about getting together with you for the call at the NARF offices. I understand Katherine is coming up for the Forum, but still needs to confirm that she can make it up there by Monday. Stay tuned. Thanks.

Great. Thank you Jamey. I see that there is no code for the teleconference.

Frank will be call in from Tyonek. So it will be at least 3-way or more.

For the agenda:

Please add the following agenda items:

- * Project update
- * Discussion of NVT / NARF Technical Assistance needs from EPA
- * Also let's discuss the Water Management Plan which will soon be released by Army Corps
- * Lisa Jackson transition and NVT spring trip to DC

I'll check with Frank and Heather on agenda items as well, understanding the meeting is rather short.

Thank you

Rob
